

Ministry of Education

Invitation to become Lead Trainers

Training on Education Leadership & Management for School Heads

Are you willing to contribute into a systemic change in Sri Lankan education? Do you have a passion for participant centered training in education leadership and management? Do you have excellent workshop facilitation skills? Are you a graduate and possess a master's degree in education? Are you fluent in English and at least one of the local languages? Have you published your research experiences recently? Have you completed five years in your service and got another 10-15 years left as a **SLEAS I, II or III officer, or an experienced school principal in SLPS I, II, III?**

If your answers are **“Yes”** to above questions, we will give you an opportunity to work as a leadership trainer in an innovative training programme for school heads. The programme will commence in June 2018 in partnership with the British Council.

Please visit the website of the Ministry of Education (www.moe.gov.lk) for more information and the application form.

Please submit your application under registered cover on or before 10th **May 2018**, to the **Programme Coordinator, iTESL Project, 5th Floor, Ministry of Education, Isurupaya, Battaramulla**

**Secretary
Ministry of Education
Isurupaya,
Battaramulla**
