Changing the Subject of Teaching Appointments

In terms of the Provisions stipulated in Section 7 of the Sri Lanka Teachers' Service Minute published in the Gazette Extraordinary No. 1885/38 dated 23.10.2014 of the Democratic Socialist Republic of Sri Lanka, qualified persons will be recruited to Sri Lanka Teachers' Service depending on the number of the vacancies existing under each subject in National and Provincial Schools.

02. Changing the subject indicated in the letter of appointment of the teachers recruited according to a formal scheme for filling the subject related vacancies existing in the approved cadre creates unfavourable impacts towards equalizing teachers in the entire system of education.

03. The subject indicated in the appointment letter of the teachers will not be changed as a policy. Therefore, requests should not be submitted in this regard and you are kindly notified to make the principals and all the teachers aware of this matter.

04. I would like to inform that these instructions will not be applicable for engaging teachers to teach another subject external to the subject stated in the appointment letter for several periods according to the capability and the preference of the teacher depending on the service requirement of the school.
