To whom it may concern,

Nice greetings from Sirindhorn International Institute of Technology (SIIT), Thammasat University, Thailand. SIIT offers International Programs in Engineering, Technology, and management with 100 % of the courses using English as medium of instruction. Please find more information on www.siit.tu.ac.th

We would like to introduce the **Scholarship for Excellent Foreign Students (EFS) for Master/Doctoral Degree** to study in the areas of Engineering, Technology and Management at Sirindhorn International Institute of Technology.

Please see more information of the scholarships from the attached files and from SIIT website (<https://www.siit.tu.ac.th>) . We would greatly appreciate it if you would forward this information to the educational institutions in your network, and promote this scholarship to students in your country.

Please note that the closing date of application for semester 2/2021 (January 2022 semester) is **30 September 2021**. Interested students can apply via the SIIT online application:

For Master/Doctoral Degree Program <https://graduateadmissions.siit.tu.ac.th/index.php/applicant/?scholarship=EFS>

Programs offered at SIIT:
<http://www.siit.tu.ac.th/academics.php?sid=37&ssid=30>

Our office is the center for SIIT International students, then you may ask the students or university representative to contact us directly if they need further information regarding campus life or further requirements e.g. dormitory booking, pick up service, international student activities.

Please feel free to let us know if you have further questions or requirements. We are looking forward to welcome students from your country to study at SIIT soon.

**** Sorry if you are not a person in charge, and kindly forward to the related person for this matter ****

Thank you very much for your kind cooperation.

Best regards,

Peechalika Sertsirikul (Mrs.)
Chief of the International Affairs and Corporate Relations Division

International Affairs and Corporate Relations Division

Number of Scholarships: 15 Continuing Scholarships

For prospective students in the academic semester 2/2021 (January, 2022)

- Master's degree (2-year curriculum)
- Doctoral degree (3-year curriculum)

Scholarship Coverage:

1. Full SIIT tuition and educational support fees (Full Thesis Support), excluding:
 - * TU Matriculation Fee (600 Baht)
 - * TU Educational Support Fees (800 Baht [IT Service by TU] + 55 Baht [Group Insurance Fee] per semester)
 2. Living allowance of 10,000 Baht per month
 3. Round trip economy travel expenses, the most direct route to and from Thailand and the recipient's home country (actual expense, maximum 20,000 Baht/student)
 4. Miscellaneous expenses such as visa fees, airport taxes, etc. (actual expenses, but not over 10,000 Baht)
 5. Health and accident insurance during the period of scholarship in Thailand
- * *Scholarship recipients are required to stay at the SIIT dormitory for a period of at least 12 months.*

Candidate Qualifications:

- Must not be a Thai nationality.
- Excellent academic record (preferably ranked within the top 20 percent of the class)
- Meet qualifications of SIIT graduate programs admissions (www.siit.tu.ac.th/grad_app)
- Two strong recommendation letters (at least one recommendation letter must come from an academic instructor/advisor)
- Have good health and good conduct.
- Must not be a recipient of another type of scholarship.

Conditions to Continue the Scholarship:

1. Maintain a cumulative GPA of not less than 3.25 with no "F", "U" or "NP" grades. The maximum of one "W" grade throughout the curriculum in a transcript is allowed without scholarship termination under the conditions that Scholarship Recipient is required to pay the full amount of tuition fee of the withdrawn subject and the re-enrollment tuition fee for the course with "W" grade before enrolling in the next semester and the re-enrollment fees for the course with "W" grade. The Scholarship Recipients must also pass all credits enrolled in each semester, and must complete all the degree requirements within the time specified by the regulations. However, the Scholarship Recipient is allowed only once to not fulfill all of the Thesis/Doctoral Dissertation credits enrolled in the semester.
2. Make good progress in his/her master thesis/doctoral dissertation and report his/her progress every semester.
3. Assist in the Institute's work for 30 hours per semester, focused primarily on exam proctoring for 24 hours, and laboratory supervision or tutoring courses for 6 hours.

Conditions after Graduation:

- None -

Application period:

1st – 30th September 2021
