

Open Competitive Examination for the recruitment to the Sri Lanka
Teacher Educators' Service III – 2019 (2020)

The list of applicants; three folds of the number of vacancies from the applicants who have passed with a minimum of 40% or more from the marks allocated for each subject of the above competitive examination held on 25.04.2021 which has been received by this Ministry subsequent to being referred to the Education Services Committee of the Public Service Commission by the Commissioner General of Examinations, is published here. Further, although the examination notice stated that the applicants will be called for the interview as three folds of the number of vacancies, this list contains the names more than three folds as some applicants have obtained the similar marks for certain subjects, and this contains the names less than three folds due to the lack of sufficient number of qualified applicants for certain subjects. Also, it is informed that there is no even a single applicant who has been qualified for the Subject No. 12 - Western Music in English Medium.

02. This name list is merely published for the information of the applicants and all the applicants listed herein have been qualified for the relevant general interview as per the recruitment notice. It is emphasized that your eligibility for the General Interview as your name is mentioned in this list is not a qualification to have an appointment to the Grade III of the Sri Lanka Teacher Educators' Service. Please note that this is not the final list of recruitment.
