

Recruitment of Graduates and Diploma Holders recruited in 2018, 2019, 2020 under the Trainee Graduate Program to fill the Teacher Vacancies of National Schools – 2022

The applicants who submitted their online applications to us under the above recruitment were given the e-mail addresses; Graduates.app@gmail.com and appgraduates@gmail.com to send us the scanned copy of their application.

02. Only the applicants who could not submit the scanned copy of their application via the said e-mail addresses will be given the new e-mail addresses as follows.

03. You are kindly requested to follow the below instructions, and the scanned copies of the applicants who do not follow these instructions will be rejected.

1. We have received the applications of those who have already submitted their application to one of the above two emails. Consequently, those applicants should not forward their application once again to the following new email addresses.
2. One applicant should send only one e-mail.
3. When you send emails, only the application form should be sent as an attachment and no any other attachments should be sent.
4. Your application should be sent only to the e-mail address related to the province of your permanent residence.
5. As per the instructions given by us at the time of calling applications, the original of the application should not be sent to us by post and it is compulsory to bring the said original when calling for the interview.
