❖ NENASA EDUCATIONAL MOBILE APP

An exceptional educational platform for children of Sri Lanka.

Nenasa is an educational platform that enhances the learning experience, providing educational material in accordance with the Sri Lankan government schools' syllabus.

The app contains in-built graphical content, videos and resources Grade 1 to 11 and includes all the subjects within the syllabus. Nenasa was developed in collaboration with the Ministry of Education to ensuring access and equal opportunity for a quality education for Sri Lankan students.
