08.11.2023 No. 1-15/764-15

For No. _____ dated _____

To Ambassador Extraordinary and Plenipotentiary
of the Democratic Socialist Republic of Sri Lanka
to the Russian Federation
Janitha Abeywickrema Liyanage

The Moscow Automobile and Road Construction State Technical University (MADI) presents to you its compliments and informs about an annual Olympiad – International Intellectual Contest *All Roads lead to MADI – 2024* (hereinafter – *Competition*) to select foreign students to study under the higher education programmes at the cost of the federal state budget of the Russian Federation. 500 winners of the *Competition* will get a right for free-of-charge education with a place in the dormitory and a paid scholarship.

Registration for the *Competition* begins on 16 October 2023. The primary competition will take place in February 2024 in an online format. The winners will be enrolled for studies under a selected programme from 01 September 2024.

I request you, dear Janitha Abeywickrema Liyanage, to provide assistance in disseminating information about the *Competition* in the media, schools and Universities of the Democratic Socialist Republic of Sri Lanka to ensure participation of the maximum number of participants.

A list of MADI programmes and an information notice about the *Competition* are attached herewith.

Attachment: 3 pages in 1 copy

Regards,

Rector

Moscow Automobile and Road Construction State Technical University (MADI)

International Intellectual Contest All Roads lead to MADI – 2024

Moscow Automobile and Road Construction State Technical University (MADI) is organizing an annual Olympiad *International Intellectual Contest All Roads lead to MADI*. The competition is held to select talented young people among foreign citizens and compatriots living abroad to study at our university under higher education programs at the expense of the federal budget of the Russian Federation. Students of the final grades of schools, gymnasiums, lyceums, students of colleges and technical schools, as well as students and Universities graduates can participate in the Competition. Currently, more than 550 foreign winners of the "All roads lead to MADI" Competition of the past years from 30 countries of all regions of the world are studying at MADI.

From October 2023, the Competition for admission of foreign applicants for studies in the academic year 2024/25 have started.

500 winners of the Competition receive the right to free bachelor, special and master's degree programs at MADI, as well as a place in a dormitory (within walking distance from the University) and an academic scholarship. Foreign applicants who need to additionally study Russian language receive the right to free pre-university training at the Preparatory Faculty of MADI for one academic year.

Admission based on the results of the Competition in the 2024/25 academic year	Quantity of places	Qualifying tests (in remote format)
Bachelor/Specialist degree	450	math testing from 03.02.2024 to 18.02.2024
Master's degree	50	testing and interviewing in the areas of training from 03.02.2024 to 18.02.2024

To participate in the Competition, the candidate must read the information on the website grant.madi.ru, choose the area of training and **register**.

- ✓ Languages of the Competition: Russian; English
- ✓ Registration deadline is until February 02, 2024.

Registered participants will have access to the "personal account", where they need to upload copies of documents with translations into Russian: passport, education documents (certificate from school/university or certificate/diploma).

- ✓ **Samples of test tasks** are posted on the website grant.madi.ru
- ✓ **Qualifying tests last from February 03 to February 18, 2024.**

Participants, who successfully pass the selection tests, will need to fill out a questionnaire and additionally upload documents in accordance with the requirements of the Ministry of Science and Higher Education of the Russian Federation for subsequent registration of a referral for training.

The operator of the Competition is the International MADI Service. In order to interact and organize a permanent information channel, we attach our contact details, and also express our readiness to conduct videoconferences in particular schools according to an agreed schedule, and tell about our University, the International Intellectual

Competition "All Roads lead to MADI", the University infrastructure and student support measures, as well as to conduct career guidance consultations for students.
