Appointments and transfers of teachers of physical education

The numbers of teachers engaged in the teaching of Physical Education and Sports is found to be insufficient to fill the existing vacancies of teachers of physical Education and Sports throughout the island the Ministry of Education & higher Education has decided on the following policy regarding the appointment and transfer of teachers of Physical Education and Sports.

- | | | |
|-----|---|------------------------|
| 01. | To school where the student population exceeds 2000 students | - two teacher |
| 02. | To schools where the student population does not exceed 2000 students | - one teacher |
| 03. | To schools where the sports school project under the authority of the Ministry of Education & Higher Education is being implemented | - up to five teachers |
| 04. | To National School | - up to three teachers |

It is emphasized that all appointments and transfers of teachers of Physical Education and Sports should be effected only on the recommendation of the Deputy Director of Education (Physical Education) in charge of the respective areas and on consideration of the exigencies of service. Action should be taken immediately to transfer all teachers who are deemed to be in terms of the above decision, to schools where there are vacancies.
